Tuition-Free Training Schedule

(April 2011 – September 2011)

Anti-Terrorism Intelligence Awareness Training Program (AIATP)

This 1-day introductory awareness program is designed to provide line officers and first-line supervisors with a working knowledge of the criminal intelligence process and applicable laws, guidelines, policies, tools and techniques. Knowledge gained in this course will aid in the detection of pre-incident indicators related to terrorist activity in the community that may be encountered during the course of their law enforcement duties. Other topics include Terrorist Use of the Internet and an Overview of Terrorism.

- | | | | |

| • Springfield, OR | July 6 | | |

Go to our website at www.fletc.gov/osl and put "AIATP" in the search box for additional program and registration information

Cold Case Seminars

The Cold Case Seminar is a 3½-day course designed to provide the investigator with an overview of the NCIS Cold Case Methodology and Protocol. A wide range of investigative steps, to include the use of non-traditional investigative techniques, will be covered in depth during the course of instruction. The methodology and protocol will be illustrated through case studies of successfully resolved cold homicide investigations. Upon completion of this course, the investigator will have a sound knowledge of how to prepare and conduct a cold homicide investigation. Information on the LINX, a database system that provides access to law enforcement incident and investigative data collected and contained within a central data warehouse.

- Colorado Springs, CO July 26 – 29

Go to our website at www.fletc.gov/osl and put "Cold Case" in the search box for additional program and registration information.

Domestic Violence Instructor Training Program (DVITP)

This 4½ -day instructor development program is designed to increase the effectiveness of those law enforcement professionals tasked with delivering domestic violence related training. Training topics include Dynamics of Domestic Violence, Officer Safety, Law Enforcement Liability and Determining the Predominant Aggressor.

| • Coeur D'Alene, ID | May 2 - 6 | | |

Go to our website at www.fletc.gov/osl and put "DVITP" in the search box for additional program and registration information.

Drug Law Enforcement Training Program (DLETP)

This 2½-day training program is intended to provide law enforcement officers with the most current information regarding enforcement strategies and responses to a variety of drug crimes that may occur in their jurisdictions. The investigation and prosecution of drug crimes by patrol, interdiction and drug task force officers is the focus and the development of enforcement strategies to counter criminal trafficking patterns are presented and discussed.

- | | | | |
|-------------------|---------------|------------------------|--------------|
| • Charlestown, RI | April 12 - 14 | • Greensboro, NC | June 28 – 30 |
| • Slidell, LA | April 26 – 28 | • Castle Rock, CO | July 19 – 21 |
| • Yarmouth, MA | May 17 – 19 | • Brunswick County, NC | Aug 23 - 25 |
| • Bel Air, MD | June 7 – 9 | | |

Go to our website at www.fletc.gov/osl and put "DLETP" in the search box for additional program and registration information.

First Responder Training Program (F RTP)

This 3-day program covers the topics most applicable to first responders who include: law enforcement, firefighters and emergency medical services personnel. These emergency response professionals must be trained and equipped for virtually any situation, including criminal acts, natural disasters and other large-scale emergencies. A system of command will be needed to achieve a coordinated and effective incident response. Further, the psychological impact upon first responders needs to be considered following any critical incident. The F RTP will provide training, guidelines, and resources to address these, as well as other important issues.

- | | | | |
|---------------------|---------------|----------------|----------------|
| • Brooklyn Park, MN | April 19 – 21 | • Valhalla, NY | August 2 - 4 |
| • Ashburn, VA | June 14 – 16 | • Newark, DE | August 23 – 25 |

Go to our website at www.fletc.gov/os/ and put “F RTP” in the search box for additional program and registration information.

Intelligence Awareness for Law Enforcement Executives (IALEETP)

This is a 1-day, specialized training program designed to provide state, local, tribal, and campus law enforcement executives with a working knowledge of the National Criminal Intelligence Sharing Plan (NCISP), the criminal intelligence process and their important role in working towards the systematic sharing of information among the law enforcement community. Highlights of the program include an introduction to the National Criminal Intelligence Sharing Plan, the concept of Intelligence Led Policing, and the legal and privacy considerations associated with information collection, storage, and dissemination.

- | | | | |
|------------------|----------|--------------------|--------------|
| • Ft Myers, FL | April 27 | • Philadelphia, PA | July 21 |
| • Tuscaloosa, AL | May 24 | • Sykesville, MD | September 15 |
| • Athens, GA | June 6 | • Billings, MT | August 18 |
| • Irving, TX | June 21 | • Kalispell, MT | August 23 |

Go to our website at www.fletc.gov/os/ and put “IALEETP” in the search box for additional program & registration information.

Introductory Intelligence Analyst Training Program (IIATP)

This is a 5-day entry level computer based program which provides a historical, legal, and ethical basis for law enforcement intelligence collection, retention and dissemination. Students are required to complete an intelligence collection project involving a criminal organization. As the class progresses, students prepare various intelligence products such as: a criminal predicate statement; a mission statement; a hypothesis; and, a collection/dissemination plan.
